What activities did you find most useful? What activities did you find less useful?

9 απαντήσεις

Useful: creating videos / Less useful: creating blogs

Most useful: create a blog Less useful: app inventor

Prezi and other cultural activities about Greece 😊

i found everything useful!

Learning on prezi was less usefull and the most usefull was programing

Most useful was learning about prezi and less useful was having no activities at all

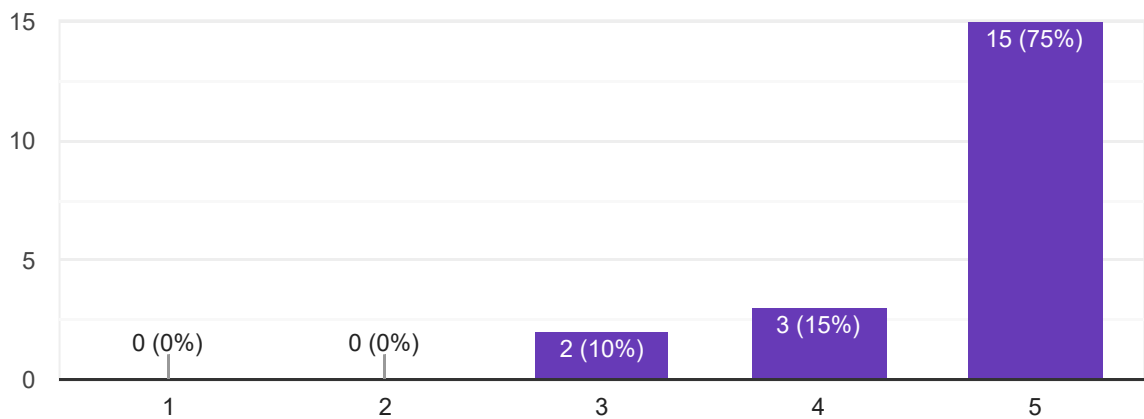

most activities were useful, although i believe that the app inventor part was a bit niche.

i didnt really find myself fitting in any groups of the students so, the classes were the only useful part.
